- + Integrity: Strong business and personal ethics are the core values of our business.

Trust worthy

Quality

Profitability

Reliability

Honesty

Contract Staffing Service

- + Strategic staff management
- + Standardized pay schedule
- + Transparent pricing
- + Reduce the problem that arises from leave and vacancies
- + Pay structures gives employees a feeling of protection and reduces attrition
- + Overtime is billed at cost after total working hours within a Sun- Mon work week.
- + We add on a management fee which includes service charge and profit
- + Minimum payroll maintenance and hence increased revenue per employee
- + Experienced human resource for specific and time bound jobs.

OUR TRAINING MODULE INCLUDES

Induction training about Nanda Group and the client.

- + Training on cleaning machineries, Assembling and chemicals and process.
- + Functional training about for the technical manpower. (CNC, ELECTRONICS, ELECTRICAL, MECHANICAL)

Our training programs are customized as per the clients requirements. Nanda Group has a dedicated training team to delivery all the programs

TRAINING PROGRAMS

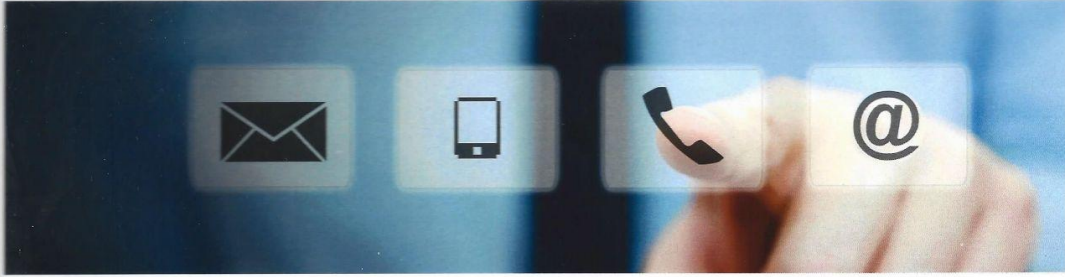

Nanda group has structured training and development programs for all the employees. We conduct regular training programs at our training facility and also at the client's premises.

REWARD AND RECOGNITION INITIATIVES

Nanda Group conducts regular R & R programs for all the employees. We work closely with clients in indentifying the performing individuals and regard them based on their performance. Nanda Group works with marginalised sections of the society and helps them to uplift the poverty line by offering them gainful recruitment. We provide other facilities like bus passes, transport facility accommodation and food for the needy employees.
